\* per week per room rents are based on the total number of available bedrooms, split equally between the tenants. You may choose to vary the rent per room based on size – this is entirely up to the group signing the tenancy agreement.

\*\* where bills included is offered it means: gas, electric, water, phone line & broadband. Some properties include basic SKY TV or Virgin Tivo (check when enquiring). Bills included does not include Council Tax should a tenant leave full time education and therefore become liable.

We are proud to be the only Student Friendly Agent in Oxfordshire who doesn't charge fees. No fees to set up your contract, no fees to protect your deposit, no fees for anything. Just a standard, twelve month, jargon free Tenancy Agreement with a regular monthly payment.
